Bookmates Family Learning FUNdamentals

PREREQUISITE

Description:

An introduction to family literacy and learning begins with **Bookmates Family Learning FUNdamentals**. Fun, hands-on activities teach the key components of a family learning program.

This workshop includes:

- Information about adult literacy
- Clear language strategies
- Early literacy skills for children
- Rhyme circles
- Songs and storytelling
- Book sharing and book making
- Ideas for parents' programs
- Children's programs
- Strategies to develop a program for your community

The **Bookmates Family Learning FUNdamentals workshop is the [prerequisite](#) for all of our Bookmates facilitator certification trainings and workshops.
